

‘Keep it Up’

Lyrics

The Covid Composers Songbook

Breath Cycle II

'Keep it Up'

Keep it up, keep it up
Keep it up, keep it up
Keep it up, keep it up
Keep it up, keep it up

I was here
And you were gone
And the hurtin' is my alarm clock

Now I'm gettin' up, getting' up
Gotta stand, gotta walk
Keep it up, keep it up
Gotta breath, gotta talk
Gotta keep it up, keep it up
Gotta keep it up, keep it up

I was well
But then I'm not
And the hurtin' is my alarm clock
But I'm glad to be wakin' up, wakin' up
Gotta stand, gotta walk
Gotta breath gotta talk

So many friends surround me now
So many friends surround me now
So many friends surround me now
And the hurtin' is my alarm clock

But now I'm wakin' up, wakin' up
Gotta keep it up, keep it up
Gotta stand, gotta walk
Keep it up, keep it up
Gotta breath, gotta try and talk

Keep it up, keep it up
